Dear Prospective Vendor,

Arts & Draughts is a Port Angeles Downtown Association event held annually in September celebrating beer, art, music, and local culture.

In addition to a great street fair of quality handcrafted art, merchandise and food, the festival offers 2 live music stages as well as a brewery tasting event on Saturday where guests can sample locally produced beer, wine, and cider. The festival honors local artists and their works with exhibits, gallery tours and "art in the making" demonstrations and includes a variety of performing arts on the acoustic stage.

This year the festival will start Friday afternoon until Saturday evening. Street vendors will be open Friday from 12:00pm - 7:30pm and Saturday from 10:00am - 7:30pm. Food vendors will be open from 3:00pm - 10:00pm on Friday and 1:00am - 10:00pm on Saturday.

Arts & Draughts is heavily advertised outside of the region. Festival attendance has increased each year, which continues to contribute to vendor sales and festival prosperity. To ensure a successful experience for all vendors, we select quality vendors and strive to avoid duplication. Please note that we may not be familiar with your menu or products so you will need to send detailed descriptions and photos as per the application requests.

We look forward to the possibility of you joining us this year at the Port Angeles Downtown Association Arts & Draughts Beer & Wine Festival. More information including festival updates and a full schedule of events is available on our website, www.portangelesbeerfest.com.

Please feel free to reach out with any questions or comments.

Cheers!
